

Catch-up Immunization Campaign

From the 03rd - 30th of November you can take your child to the nearest clinic or mobile clinic for their catch-up immunization shot. It's never too late to immunize your child, even if you missed a scheduled vaccination, you can visit your clinic. You will get a replacement if you lost your clinic card

Immunizations are safe

Immunizations are effective

It is critical all children are vaccinated

Bring your child's RtHB (clinic card)

Leave No Child Behind – Every Dose Saves Lives
